

Your dental benefits go further with Maximum Rollover

Our Maximum Rollover benefit allows you to save a portion of your unused benefit dollars for use the following year. This gives you added security to cover the cost of unexpected dental expenses in the future.

How it works

To earn rollover dollars, you must be an active member of a BlueDental PPO plan¹ on the last day of the calendar year and receive at least one covered service during the year, such as a routine cleaning. Also, your total claims paid during the calendar year must not exceed the payment threshold (which varies by plan).

There is a standard amount that you can roll over based on your plan's annual maximum.²

You can check your **Maximum Rollover balance** through your Florida Blue account or mobile app.

If your dental plan's annual maximum ³ benefit amount is:	And, if your total claims don't exceed this amount:	We'll roll over this amount to use next year and beyond:	You can earn up to this amount of rollover dollars ⁴ :
\$1,000	\$500	\$350	\$1,000
\$1,250	\$600	\$450	\$1,250
\$1,500	\$700	\$500	\$1,250
\$2,000	\$800	\$600	\$1,500
\$2,500	\$900	\$700	\$1,500

If your plan includes Maximum Rollover and you qualify, you don't have to do anything at the end of the year; the rollover amount is applied automatically.

Your Maximum Rollover account can keep growing year after year. Accumulated rollover dollars don't expire, so your dental benefits can increase in value over time.

¹Rollover is not available on BlueDental Care plans. For individual (ACA) plans, it is available to active adult members age 19 years or older. Group PPO plans may include Maximum Rollover—check your policy for details.

²See your policy for Maximum Rollover details specific to your plan.

³If a Plan's Annual Maximum is different for participating and nonparticipating dentists, (Example: \$1,500 participating dentist/\$1,000 nonparticipating dentist) the participating dentist annual maximum, as shown on the Schedule of Benefits, will determine the plan's annual maximum benefit amount.

⁴Rollover cap amounts vary by plan.
